Magee PRODUCTS

"It's a Pleasure to Bake with a Magee Range"

ONE damper movement throws the entire heat through the special Magee Sheet Flues, and sends it around five sides of the oven. This means a hotter oven and saves your fuel. Magee glass oven doors make it possible to see the condition of your roast or your baking without stooping or opening the oven door.

Magee Ranges are equipped with gas ovens and gas broilers, as well as open burners on top of the range.
